CHANDRASEKHAR TIRUMALASETTY

WEB DEVELOPER | FRONTEND DEVELOPER

Hyderabad, India • chandutirumalasetty13@gmail.com • 7661996850

PROFESSIONAL SUMMARY

Frontend/Web Developer with 6+ years of professional experience building responsive, user-focused websites and web applications. Experienced in translating wireframes and design mockups into clean, maintainable interfaces using HTML, CSS, JavaScript, jQuery, React.js and UI frameworks. Strong background in responsive design, debugging, accessibility, performance optimization, Agile/Scrum, Git and collaboration with designers, developers and content teams.

PROFESSIONAL EXPERIENCE

vSplash
November 2023 – Present
Developer
Hyderabad, India

Tata Consultancy Services (TCS)
October 2019 – November 2023
Developer
Hyderabad, India

Key Responsibilities & Contributions

- Translated wireframes and design mockups into responsive web interfaces using HTML, CSS, JavaScript, jQuery and UI-related libraries/frameworks.
- Designed and implemented responsive layouts to ensure websites work well across devices and screen sizes.
- Participated in coding, testing and debugging web applications in collaboration with designers, developers and content creators.
- Worked in Agile/Scrum environments, participating in sprint meetings, reviews and changing requirements.
- Used Git for version control and contributed to performance optimization and accessibility improvements.
- Wrote efficient, clean and maintainable code with focus on usability, performance and reliability.
- Identified and resolved front-end issues and application defects based on internal and external reports.
- Worked with UX/design tools including Figma and Zeplin and used Jira to track work items.
- Collaborated directly with clients to develop fluid and responsive websites supporting their communication goals.
